

Company Crew

Company crew is a new team for us this year. This team is just for our dancers that are interested in company but are not quite ready to compete yet or for dancers who think they might want to compete but aren't sure yet! Company Crew members will be required to attend 1-2 mandatory conventions (these are master classes taught by world renowned instructors), as well as the required company classes for company dancers.

Financial Commitment: **** Company members do several fundraisers to help offset these costs.

- **Convention Costs:**

 - Minis (age 5-7) approx. \$150 per convention
 - Petite & Up (ages 7-8 & up) approx. \$330 per convention
